# Welcome

How would it feel to have more options on Tinder in Latin America?

How would it feel to get responses from super-hot Latinas... who you know are getting bombarded with messages from guys?

Look at it this way:

1. Having relationships with hot girls comes from having **more dates**.
2. Having more dates comes from having **more options** on dating platforms such as Tinder.
3. Having more options comes from getting **more replies**.

And getting more replies comes from **better openers**.

This guide will help you get more replies on Tinder in any Spanish-speaking country.

# Should I Open in Spanish or English?

I get this question a lot from guys asking for advice on dating in Latin America.

Each case is unique but I generally advise the following:

- If she has some English on her profile, use Spanish or English.
- If she only had Spanish on her profile, use Spanish.

## How to Use This Guide

Follow these steps to get the most out of this report in the least amount of time:

1. Give her profile a quick scan
2. Decide which category she falls into
3. Go to the relevant category in this guide
4. Find a Spanish opener
5. Copy and paste into Tinder
6. Sit back and watch your inbox light up

Enjoy and *mucha suerte hermano*.

# How This Guide Is Organized

I advise against spam messaging girls on Tinder. Sending a stock opener to a large number of girls is efficient - you can message many girls in a short time - but it's utterly ineffective. Meaning: You'll get few quality leads.

My approach, and the one I recommend to the guys I coach is to quickly scan her profile and photos then send a targeted message that catches her attention.

Does that mean I'm crafting unique openers from scratch for every girl out there?

No. That's where this guide comes in useful. Tinder girls fall into a few broad categories. We can group them into tribes. For example, the foodie, the cat girl, the globetrotter, etc.

I've organized the Spanish openers in this guide by stereotype:

- The Animal Lover
- The Music/Movies/TV Series/Book - Lover
- The Traveler
- The Food Lover
- The Girl With Attitude

If she doesn't fall into any of these categories, I've added three sections mixing humor, creativity and compliments for when you're stuck:

- The No-Info Girl
- Compliment Openers
- Creative & Funny Ice Breakers

A woman with long dark hair is leaning her head against the neck of a horse. The image is overlaid with a solid blue color. The text "THE ANIMAL LOVER" is centered in white, bold, uppercase letters.

# THE ANIMAL LOVER

# The Animal Lover

If you're an animal lover, you already have an huge advantage: Most girls are into animals too and they will always show that in their pictures (or she will mention it in her profile)

**Me encanta que te gusten los animales, yo tengo X perro(s)/gato(s) también!**

*I love it that you're an animal lover, I have X dog(s)/cat(s) as well!*

**Que perro/gato tan lindo tienes. ¿Cómo se llama?**

*What a cute dog/cat you have. What's its name?*

**Nunca he conocido una chica a la que le gusten los caballos, siempre he querido montar uno**

*I've never met a girl who likes horses before. I've always wanted to ride one myself*

**Me gusta la pasión que demuestras por los animales. ¿Tienes mascotas?**

*I like your passion for animals. Do you have any pets?*

A young woman with dark hair tied back, wearing glasses and a dark top, is looking down at an open book she is holding. She is in a library or study area, with stacks of books visible on a table in front of her. The background is filled with bookshelves. The entire image has a strong blue color overlay. Overlaid on the image is the text 'THE MUSIC/MOVIES/ TV SERIES/BOOK LOVER' in white, bold, sans-serif font, centered vertically and horizontally.

**THE  
MUSIC/MOVIES/  
TV SERIES/BOOK  
LOVER**

# The Music/Movies/TV Series/Book - Lover

This could be the most important common ground you can find with a girl. If you like the same music, movies, books, or TV shows she likes, you have a huge starting point to talk about and get acquainted with each other.

Tinder now has an option to link with Spotify, which people use to show their favorite songs. Leverage this tool to your advantage.

**Hola! Que buenos gustos musicales tienes!**

*Hi! What a great taste in music you have!*

**Hola! Veo que te gusta Game of Thrones, que genial! ¿Eres Lannister, Targaryen o Stark?**

*Hi! I see you like Game of Thrones. That's awesome! Are you a Lannister, Targaryen or Stark?*

**Se nota que eres cinéfila también, me encanta eso! ¿Me recomiendas alguna película?**

*I see you're a movie fan as well, I love that! Could you recommend me a movie?*

**Pregunta: ¿Con qué actor/cantante preferirías quedarte atrapada en un elevador por una hora?**

*Question: Which actor/musician would you rather be trapped in an elevator with for an hour?*

**También amo los libros! ¿Has leído algo interesante últimamente?**

*I love books too! Have you read anything interesting lately?*

A person wearing a straw hat is seen from behind, looking out at a tropical coastline. A tall, narrow limestone cliff stands prominently on the right side of the frame. The scene is bathed in a strong blue light, creating a monochromatic effect. The text 'THE TRAVELLER' is overlaid in white, bold, sans-serif font across the center of the image.

# THE TRAVELLER

# The Traveller

Some girls like to show off all the places they've been in their profiles. They have a photo from Paris, one in Japan, another at the beach in Cancún. If you share the same travelling passion, start off by talking about it.

**Veo que también disfrutas viajar.  
¿Alguna vez has estado en mi país?**

*I see you love travelling too. Have you ever been to my country?*

**¿También estuve en XXXX hace un tiempo, cuándo fuiste tú? ¿Te gustó?**

*I was in XXXX some time ago too, when did you go there? Did you like it?*

A young woman with long hair, wearing glasses and a floral headband, is smiling broadly while holding a burger with both hands. She is wearing a colorful, patterned jacket. The background is a wall with a decorative pattern. The entire image has a blue color cast.

# THE FOOD LOVER

# The Food Lover

Some say “the way to a man’s heart is through his stomach”. This works just as well for women too. Be it pizza, fast food, or even if she’s a vegetarian, if she mentions it in her profile and you have that in common with her, let her know.

**Hola! Que genial que también ames la pizza, tienes un sabor favorito? ¿Me recomiendas algún lugar?**

*Hi! How cool it is that you love pizza too. What’s your favorite? Can you recommend a place?*

**Hola! Me encanta que también seas vegetariana. ¿Conoces algún buen lugar en la ciudad?**

*Hi! I love it that you’re a vegetarian too, do you know any good vegetarian places in town?*

**Piña en la pizza: ¿Te gusta o no?**

*Pineapple on pizza: Yes or no?*

**THE GIRL WITH  
ATTITUDE**

# The Girl With Attitude

Believe it or not, many girls specify in their profiles: “*I’m not looking for hookups*”, “*If you’re just looking for sex, don’t bother. Swipe left.*” or even “*I’m not a prostitute*”.

These girls must be approached with care or they’ll bite your head off. There’s a way to approach them, to let them know that you read and understood and that you sympathise with her situation.

**¿De verdad te han hablado tantos patéticos así como para que tengas que aclarar eso en tu perfil?**

*Have you had that many messages from pathetic guys that you need to clarify that in your profile?*

A close-up photograph of a woman's face, partially obscured by her hands covering her mouth. She has light-colored eyes and is looking directly at the camera. The entire image is overlaid with a semi-transparent blue filter. The text 'THE NO-INFO GIRL' is centered over the image in a white, bold, sans-serif font.

# THE NO-INFO GIRL

# The No-Info Girl

Since she has no “About Me” in her profile, you have no common ground or hooks to use to start a conversation. So here are some casual, polite openers for this type of situation:

**Hola! ¿Cómo estás? ¿Qué tal tu día?**

*Hi! How are you? How's your day going?*

**Hola tú. ¿Qué andas haciendo?  
¿Hablamos un rato?**

*Hi there, what are you up to now?  
Wanna chat?*

**Hola! Cómo estás? Yo muero de calor/  
frío aquí! ¿Cómo está el clima por  
allá?**

*Hi! How are you? I'm dying of heat/cold  
here! How's the weather over there?*

**Me gustan tus fotos, aunque desearía  
conocerte mejor. ¿Me cuentas más de  
ti?**

*I like your photos, I'd like to know you  
better though, can you tell me more  
about yourself?*

A woman with long dark hair is holding a white gift box with a brown ribbon bow in front of her face, showing only her eyes. She is wearing a white short-sleeved shirt and a dark skirt. The background is a solid light blue color. The text 'COMPLIMENT OPENERS' is written in large, white, bold, sans-serif capital letters across the center of the image.

# COMPLIMENT OPENERS

# Compliment Openers

If you start off by complimenting her looks, you gotta be smart about it. Keep it simple, not cheesy or lecherous. Girls on Tinder will unmatched you in a heartbeat if you say something too bold, too corny, or if you seem only interested in her physique - which you do, but you can't let her know that until much later.

Remember, if she's really that beautiful, hundreds of other guys are saying the same lines to her over and over again.

You need to stand out.

Caution: I suggest NOT to open a chat with a compliment. Do it only if she has no information about herself. Even then, save the compliment for the actual date.

**Hola! Me encanta tu perfil! Tienes unos ojos muy lindos, mirada cautivadora.**

*Hi! I love your profile! You have such beautiful, captivating eyes.*

**Hola! Me encanta como te ves en tus fotos, tienes un cabello hermoso.**

*Hi! I love the way you look in your photos, you have such beautiful hair.*

A photograph of two young women sitting together, looking at a smartphone. They are both laughing heartily. The woman on the left has dark hair and is wearing a denim jacket over a floral patterned top. The woman on the right has long blonde hair and is wearing a denim jacket over a pink top. The entire image is overlaid with a semi-transparent blue filter. The text 'CREATIVE AND FUNNY ICEBREAKERS' is centered in white, bold, uppercase letters.

**CREATIVE  
AND FUNNY  
ICEBREAKERS**

# Creative And Funny Icebreakers

Thinking outside the box and coming up with creative icebreakers are the best choice most of the times. If you send a some simple line that can make a girl laugh, feel intrigued... she'll most definitely reply to your message.

But remember, if she replies with a playful manner, you need to keep the ball in the air with a witty comeback.

**Hola, tienes una cara muy linda, pero no estoy seguro si tu personalidad es igual de increíble.**

*Hi, you have a very pretty face, but I'm intrigued if your personality is as amazing too.*

**En una decisión de vida o muerte: ¿Mantequilla de maní o Nutella?**

*Life or death choice: peanut butter or Nutella?*

**Qué fue mejor invento: ¿Netflix o el papel higiénico?**

*Which was the best invention: Netflix or toilet paper?*

**¿Cómo funciona esto? ¿Ya estamos casados? ¿Espera cambio mi relación en Facebook.**

*So how does this work? Are we married now? Let me change my relationship status on Facebook.*

**Cuál es tu prioridad un domingo: ¿Netflix, ejercicio o un cóctel?**

*Sunday priority: Netflix, gym, or a cocktail?*

**Por favor dime que no eres de las que aplauden cuando el avión aterriza.**

*Please tell me you're not one of those people who claps when the plane lands.*

**Hola, soy un príncipe nigeriano y puedo darte más riquezas de las que has soñado. Sólo necesito tu número de teléfono.**

*Hi, I'm a Nigerian prince and I can make you rich beyond your wildest dreams. All I need is your phone number.*

**Se me perdió mi número de teléfono. ¿Me das el tuyo?**

*I seem to have lost my phone number, can I have yours?*
